■ Admissions & Registration

The Commonwealth Coders & Cyber Admissions Team is available to help you through the admissions, financial and enrollment process.

To talk with one of our Admissions Representatives, please email helshamy@commonwealthcodersandcyber.com.

We don't transfer credits from previous training or experience. Our classes will not transfer as credit hours with other institutions.

Registration Amount

3-hour Course

\$299.00

*Registration payment in full is due prior to the first day of class

Cancellation & Refund Policy

We have a 4-day refund policy, which means 4 days before your training is due to start you must request a refund if you no longer want to participate in the training course.

To start your refund or for any refund questions, you can contact us at helshamy@commonwealthcodersandcyber.com.

Refunds

We will notify you once we've received your refund request, and let you know if the refund was approved or not. If approved, you'll be automatically refunded on your original payment method within 10 business days. Please remember it can take some time for your bank or credit card company to process and post the refund too.

If more than 15 business days have passed since we've approved your return, please contact us at helshamy@commonwealthcodersandcyber.com.

Intro to AI

3-hour Training

Join Commonwealth Coders & Cyber’s Intro to AI course, running Monday through Thursday, three times a day, to explore AI Prompting—a technique that uses AI systems like ChatGPT to provide instructions or ask questions to achieve specific objectives. In this one-day class, you'll discover the fundamentals of AI prompting which will help you streamline workflows, make informed decisions, and automate repetitive tasks. Whether you're a professional looking to optimize business processes or an individual aiming to simplify daily routines, our goal is for you to LIVE MORE AND WORK LESS!
